

SCRIPTURES

We carry new and used scripture books and some other official publications of The Church of Jesus Christ of Latter-day Saints (hereafter “Church”). By “scripture” we mean the four standard works of the Church: (1) The Holy Bible (King James Version); (2) The Book of Mormon; (3) The Doctrine and Covenants; and (4) The Pearl of Great Price.

The scriptures and other Church publications that we carry are sold by us with a little mark-up in price. The mark-up is necessary so that we do not take a loss in providing these materials. But these materials can be purchased a little cheaper by ordering them directly from the Church or from Deseret Book stores. Although we make virtually no profit on these items, we carry them as a convenience for shoppers at our stores, who may want to purchase the books immediately without taking the time to purchase them for the Church or from Deseret Book.

Our stores also carry used scriptures. We are constantly on the lookout to obtain good, quality used scriptures which we can offer for sale at a much lower price than new scriptures. New scriptures, with high quality, onion-skin paper, and leather or simulated leather covers are very expensive. So, for many people a good quality, reduced price, used book of scriptures is desirable option.
